20th August 2009

Take control of your Superannuation by managing it yourself

NBC Wealth Management has secured the services of Australia's leading Self Managed Super Fund (SMSF) expert, and author of the CCH "Guide to SMSFs" - **Grant Abbott** to provide you with the knowledge of how to successfully manage your own Super Fund.

This Strategy Session will Cover:

- ⇒ The many tax advantages associated with SMSFs
- ⇒ Investment diversity available to SMSFs
- ⇒ Property in my own Super fund—how is it best structured?
- ⇒ You can borrow to purchase property within Super – what are your options?
- ⇒ Tax effective ways to generate wealth using your Super Fund .
- ⇒ How SMSFs are now the most tax effective estate planning vehicle for you and your family

Grant Abbott

Grant has a Masters of Laws and is Australia's Leading SMSF specialist.

Grant has presented and lectured on SMSFs for more than 14 years and has written the industry bible — "Guide to SMSFs" published by CCH.

He has appeared before Senate Superannuation Committees, spoken at industry association conferences and was the catalyst to the establishment of the SMSF Professionals Association of Australia.
