

GRADUATES...

BEAT THE RUSH

DARE TO DO BUSINESS DIFFERENTLY...HAVE A LOT OF FUN!

Are you a recently graduated go-getter with at least one year's experience in a public practice?

We do things differently at [Northern Business Consultants](#) – we've taken our business to the next level and provide our clients with AWESOME SERVICE. Our energetic team is intensely client-focused and we take pride in what we do.

NBC is currently seeking a new TEAM PLAYER – with a positive attitude who is looking to establish their career path with a progressive company. You will become a key player in a fast growing business while being given the opportunity to develop a range of competencies in diverse disciplines across the accounting spectrum and business management. You will be self-motivated, keen to learn and you will be given responsibility and opportunity very quickly to stretch your capabilities and progress.

You have recently graduated as an accountant and have at least one year's experience in a public practice. You are looking for a competitive salary and a comprehensive training package. You are computer-literate, have excellent interpersonal skills and are MOTIVATED.

If you feel that you would be comfortable in our environment, please apply enclosing your resume including your academic transcript for a start date at your earliest convenience.
